

## **REGIONAL DISTRICT of NORTH OKANAGAN**

**MEDIA RELEASE** – June 6, 2013

**FOR IMMEDIATE RELEASE**

### **White Valley Spray Park opens Friday!**

COLDSTREAM, BC – Just in time for Lumby Days, the White Valley Spray Park and outdoor fitness equipment will be open to the public on Friday June 7<sup>th</sup>, 2013. This project was made possible through funding from the Province of BC's Community Recreation Program, as well as community donations from the Lumby Lion's Club and a local non-profit, Teddy's Devils Martin's Angels. Hard work by the Village of Lumby staff ensured that the park was ready to open in time for their annual celebration.

The spray park will be open from May long weekend to September long weekend, 10 am to 7 pm, and on September weekends only, from 11 am to 6 pm.

Free introductory classes for the fitness equipment will be available soon through the White Valley Community Centre.

**Kids from Jiminy Crickets Childcare Centre get a sneak play**
